# Company Profile

## Introduction:

Electrovent is the leading manufacturer of airtight doors, fire, smoke, control and non return dampers.

Established in 1977, the family owned business that has become an integral part of the supply of HVAC components in South Africa. The company supplies SABS approved and certified fire dampers (SANS193-2013) and operates an ISO9001:2015 accredited manufacturing facility in Cape Town.

The customer centric mindset of hands-on approach by all employees offers a personal and assured level of attention to the needs of our clientele.
